This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of William Seabrook d/b/a Seabrook Transfer Company (Seabrook Transfer or the Company) to suspend the Company's Class E Certificate of Public Convenience and Necessity (Certificate of PC&N) No. 9545.

On November 8, 2004, Seabrook Transfer filed a request seeking suspension of the Company's authority to transport household goods for a period of one year. Seabrook Transfer advises that the Company's request for suspension is necessitated by the high cost of gas and the present economy.

Upon full review of the matters asserted in Seabrook Transfer's request, the Commission is of the opinion, and so finds, that the relief requested by the Company should be granted.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED:

1. That the relief requested by William Seabrook d/b/a Seabrook Transfer Company is approved, and the Company's authority to transport household goods is suspended for a period of one year until **November 19, 2005**.

2. That this Order shall remain in full force and effect until further Order of the Commission.
